

Job Description: Tutor - LASP

About Bucksmore

Bucksmore courses are for students aged 10-18 and have been modelled on American summer camps, with 'Counsellors' who live with students, teach lessons and lead excursions and activities, providing a higher level of pastoral care, guidance, and friendship – giving students more than just 'teachers' and 'activity leaders' at a summer school.

Recognising that high-achieving and well-motivated individual students wanted more from a UK summer school than just English language, excursions and afternoon activities, we have developed more challenging courses such as EFL based Young Leaders and the subject based courses Young Professionals, University Preparation and Advanced Studies. In 2019 Bucksmore were proud to have been awarded the PIEoneer 'Language Educator of the Year' award showcasing our commitment to innovation and student involvement.

With 40 years of experience to perfect and improve the quality of our prestigious summer schools, we are proud of the summer programmes we offer. It is our goal for each one of our courses to be the best course that our students have ever attended. We welcome over 75 different student nationalities every year across our courses and ensure there is always a good mix of students on our courses.

Tutor - LASP Information

Background: Students attending a Bucksmore summer programme receive a combination of English language tuition and a comprehensive activity programme including two full-day excursions and up to one half-day trip every week. There are activities every afternoon and evening with the excursions and trips spread throughout the week. Bucksmore students travel unaccompanied and are normally not part of a large, single nationality group that travel with a Group Leader/s. The Bucksmore philosophy is for students to mix with their fellow students and staff to make their time with us a rich and truly international cultural experience. The summer school environment is challenging, but also very rewarding. A good Bucksmore EFL Counsellor will be in possession of a wide variety of skills and personal qualities and be able to work well in a team.

Pastoral Care: Due to the nature of a residential summer camp, a Bucksmore Tutor should be aware that while their role is limited to just teaching they need to be aware of safeguarding issues relating to students. Whilst we have residential staff that provide the students' 24/7 pastoral care and also ensure the students receive an entertaining activities and excursions programme all non-residential staff need to show basic awareness in problems students might show signs of.

Bucksmore is committed to safeguarding and promoting the welfare of children. The post holder's responsibilities for safeguarding the welfare of the young students for whom they are responsible and with whom they come into contact, will be to adhere to Bucksmore's Child Protection Policy.

The Working Week:

The London Advanced Studies Programme consists of small group student tutorials at IB and up to first year Undergraduate level. Each course is two weeks in length and consists of 10 x 1.5 hours tutorials.

The working week begins on a Wednesday and ends on a Monday as students arrive and depart from their course every Tuesday.

Tutors will be offered 7.5 hours of tutorials per week per subject and most tutors will only be able to deliver one subject per week.

Each subject tutorial is for 1.5 hours and tutorial hours are as follows:

Wednesday morning, Thursday morning, Saturday morning, Sunday morning and Monday morning.

Morning sessions are held between c. 09:00 and 12:30.

Tutorial start times are either 09:00 or 11:00 tbc due to timetabling requirements.

Please see corresponding programme sample timetables for confirmation.
